OFFICIAL LETTER OF ACCEPTANCE

Oswaldo Souza Santos
215 Haddad Road
Waterbury, CT 06708

Dear Oswaldo

On July 10, 2009, the Graduate Educational Programs Committee in the School of Education reviewed your application material. It is my pleasure to notify you that you are accepted for provisional admission to the PhD degree program in Leadership. Welcome to the Andrews University School of Education.

To be eligible for regular admission you must successfully complete the first 12 semester credits of coursework with a minimum GPA of 3.5 and LEAD 535 (Graduate Writing Seminar) with a minimum grade of "B" or better within the first year to be eligible for regular status. Please be aware that if you do not meet these provisional requirements your admission in the program will be rescinded.

This official notification is an academic acceptance only. Financial clearance for your program requires separate approval procedures and your academic registration is dependent upon financial clearance.

Your acceptance into the Leadership is for Summer 2009. If you do not begin this Summer with the orientation, you must reapply and be considered along with other applicants for the next academic year. I recommend that you counsel with your program adviser, Dr Duane Covrig, regarding your academic program and request from him/her a copy of the Handbook for Doctoral Students which outlines all procedures for the completion of the degree program.

Please accept my personal best wishes as you courageously enter this graduate program of study. We desire to be of assistance in any way possible. May God richly bless you as you make your plans for advanced academic studies.

Sincerely

James Jeffery, PhD
Dean, School of Education
