Hi Junior.

I would like to thank you the days we spent there. It was very good to me. I came back with a great impression of your work and your church. God continue to bless you.

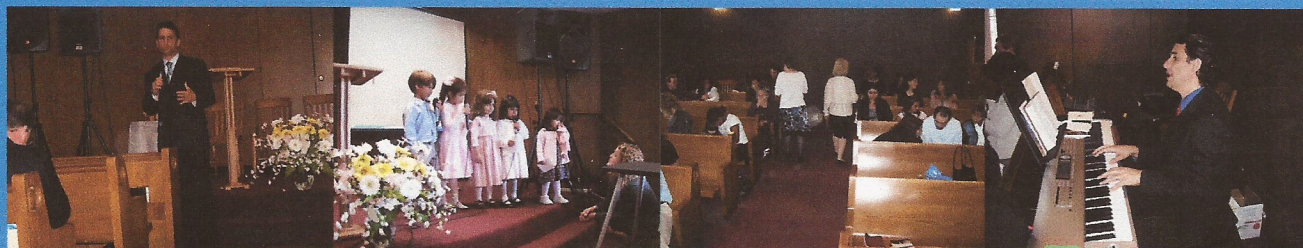

I am sending a picture I took of your family and a report I made to the pastors of the Portuguese Advisory. Our best wishes to you all and here we are at your disposal.

That's it.

Visita a Mount Vernon, NY

September 26-27, 2008.

Um fim de semana no distrito de Nova Iorque

Estivemos dois dias com os irmãos da igreja de Mount Vernon, Westchester, NY.

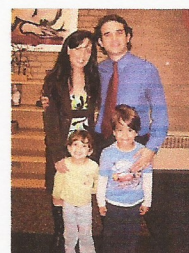

A igreja de Mount Vernon é um grupo com cerca de 50 irmãos que estão animados em fazer de sua igreja uma grande bênção. A igreja está bastante

envolvida com o programa de evangelização. Os irmãos apoiam os projetos missionários e os eventos que são realizados lá. Vimos que existe um espírito de união.

O programa da Jornada Espiritual está sendo levado a sério ali. Varias Jornadas das Madrugadas foram realizadas e outras estão programadas. Quando a igreja se anima em buscar a Deus a bênção é certa. A Net 2009 também já está sendo vivida pela igreja. Já sabe cantar a música tema e está ciente do que é esse projeto evangelístico.

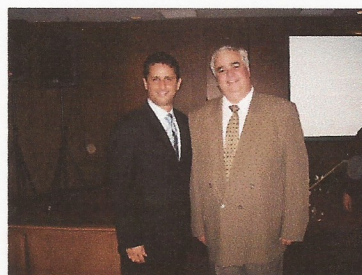

Tivemos bons momentos juntos dos irmãos. Na sexta-feira apresentamos um seminário sobre a nossa missão pessoal como seguidores de Jesus. O Pr. Claudio Vilela, distrital, esteve conosco. No sábado pela manhã falamos sobre a Dimensão da Fidelidade e no sábado à tarde demos um seminário sobre administração de igreja.

Gostaríamos de deixar o agradecimento à família do Osvaldo Júnior. Nos receberam com muita simpatia e atenção. Foi um privilégio ter estado com eles. Ficamos admirados de ver a dedicação que eles têm pela igreja e felizes por vermos o reconhecimento que a igreja dá a eles. Podemos dizer que vão muito além da segunda milha.

Nova Iorque

No sábado à tarde estivemos um tempo com o Pr. Claudio. Ele me levou para conhecer a igreja de NY e pudemos ter alguns momentos ali no JA com a igreja. Linda igreja! Um grande desafio. Ainda tivemos a oportunidade de estar com sua família numa parte da noite. Parabéns ao nosso colega pelas conquistas e disposição à frente de suas igrejas.

Obrigado pelos momentos. Temos a certeza de que grandes resultados virão pelo trabalho de suas igrejas através de sua liderança.

Agradecemos a Deus pelas bênçãos recebidas nesses dias.

Visit to Mount Vernon, Ny

September 26-27, 2008.

A weekend in the District of New York

We were two days with the brothers of the Westchester church in Mount Vernon, NY.

The Church of Mount Vernon is a group with about 50 brothers and sisters who are excited to make his church a great blessing. The church is very involved with the program of evangelization. The brothers support the mission projects and events that are made there. We have seen that there is a spirit of unity.

The program of the Spiritual Journey is being taken seriously there. Several Morning Journeys were undertaken and many more are planned. When the church comes alive in seeking God's blessing is certain.

The Net 2009 project is also being experienced by the church. They already sing the theme song and the church is aware of what is this outreach project.

We had good times getting together. On Friday presented a seminar on our personal mission as followers of Jesus. Pastor Claudio Vilela, district pastor, was with us. On Saturday morning we talked about the size of Fidelity and on Saturday afternoon I gave a seminar on administration of the church.

We would like to leave thanks to the family of Osvaldo Junior. I was received with great sympathy and attention. It was a privilege to have been with them. I was surprised to see the dedication they have the church and happy to see the recognition that church to them. We can say that they go beyond the second mile.

New York

On Saturday afternoon we were a time with Pastor Claudio. He took me to see the other Brazilian church in NY and we had a few moments there in the Youth program with the church. Beautiful church! A big challenge. We still had the opportunity to be with his family in the night. Congratulations to our colleague the achievements and available ahead of their churches.

Thank you for the wonderful moments together. We have sure that great results come by the work of their churches through their leadership.

We thank God for blessings on those days.
