Nonprofit Leadership Certification Program (NLCP)

The NLCP is an intensive program that equips pastors, church administrations, and members with strategies and professional skills to successfully lead.

You will learn how to be engaged with critical service learning to create a sustainable impact in your communities.

Three major learning outcomes:

Leadership

To improve participants' abilities to affect individual, organization, and community changes.

Management

To improve participants' abilities to effectively handle the administrative responsibilities of nonprofit management.

Social Dimensions of Evangelism

To improve participants' abilities through Biblical concepts of holistic ministry to minister in dynamic environments.
